ABOUT

Wheelhouse Graphix is a full service, large format print facility located in Bloomfield Hills, MI. We provide interior and exterior décor and signage, including dimensional copy, glass and acrylic, vinyl wall graphics, perforated window vinyl, customized ADA signage, and many other unique offerings. We also have an in-house design studio which allows us to manage your entire project from concept, through design, to manufacturing and installation. Our state-of-the-art production facility consists of environmentally friendly equipment and utilizes specialized color calibration software, making us a leader in the industry. At Wheelhouse, thinking outside the box is what we do. Let us turn your branding and marketing dreams into reality. We help you design, create, and transform.
